

# Commercial Mortgage Packager

Mortgages for Business is an award winning commercial mortgage broker and packager. Established in 1990, we've earned an industry wide reputation for quality of service and ability to source the right deal for both clients and brokers alike!

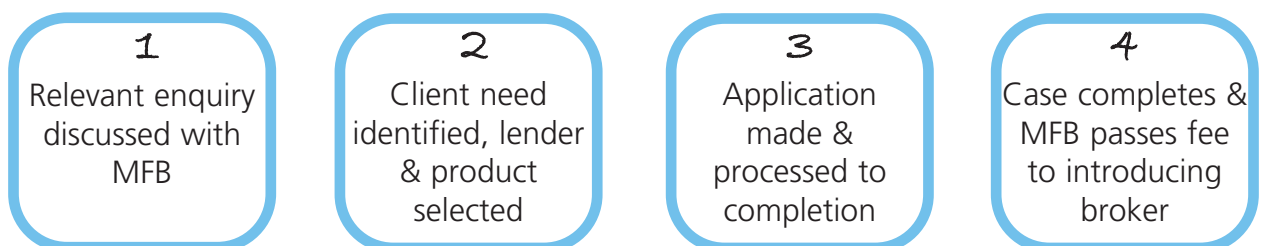

The quality of our submissions and business volumes gives us significant powers to negotiate with lenders, allowing us to offer you market leading rates and terms. We can also offer mortgage products that are only available through restricted distribution channels. We've a strong personalised service ethos and you'll be given your own dedicated Consultant, who'll help at every stage of the mortgage process.

Our close working relationships with lenders also means we're in the privileged position of receiving preferential mortgage processing. Our service levels and processing standards were recognised in 2007 when the NACFB (National Association of Commercial Finance Brokers) awarded us 'Fellowship Status', we're currently the only company to have received this award.

## By transacting your business through us you:

- Will receive access to all market leading products, including semi exclusive and exclusive offerings, from our whole of market offering
- Will benefit from our existing relationships with lenders, with dedicated underwriter support and direct contacts
- Will receive a market leading level of support by way of a dedicated consultant with a direct dial number
- Will benefit from the experience of a consultant with over 20 years experience of transacting business in the commercial market
- Will receive a generous commission payment
