

# Buy to Let Mortgage Packager

Mortgages for Business is an award winning Buy to Let mortgage broker and packager. Formed in 1990 we've earned an industry wide reputation for product innovation and quality of business processing.

The quality of our submissions and business volumes gives us significant powers to negotiate with lenders, allowing us to offer you market leading rates and terms. We can also offer mortgage products that are only available through restricted distribution channels. We've a strong personalised service ethos and you'll be given your own dedicated Case Manager, who'll help at every stage of the mortgage process.

Our close working relationships with lenders also means we're in the privileged position of receiving preferential mortgage processing. Our service levels and processing standards were recognised in 2007 when the NACFB (National Association of Commercial Finance Brokers) awarded us 'Fellowship Status', we're currently the only company to have received this award.

## By transacting your business through us you:

- Will receive access to all market leading products, including semi exclusive and exclusive offerings, from our whole of market offering
- Will benefit from our existing relationships with lenders, with dedicated underwriter support and direct contacts
- Will receive a market leading level of support by way of a dedicated case manager with a direct dial number
- Will benefit from the experience of both a broker and packaging service
- Will receive the generous commissions that MFB's standing with lenders has secured
- Will have access to marketing support, and in particular, access to an excellent website service offering
- Will benefit from our independent relationships from various associated service providers

## Commissions

We negotiate generous fees with lenders, which we in turn pass on to you. Our fees are under constant scrutiny and we are always looking for improvements, if we succeed we always pass them onto you.

## The process – 4 simple steps

**1**  
Relevant enquiry discussed with MFB

**2**  
Client need identified, lender & product selected

**3**  
Application made & processed to completion

**4**  
Case completes & MFB passes fee to introducing broker
